

Magic Valley Aftercare Mission and Vision

Mission Statement

To provide quality spiritual, educational, physical, emotional and basic material support to those sincerely seeking recovery from life controlling problems and incarceration.

Vision

Our vision is to help our residents consider Christ or become Christians that are fully functioning members of society.

Values and Goals

1. *Spirituality*

- a. We encourage residents to accept Christ as his/her personal Lord and Savior.
- b. We encourage participation in a healthy local Christian Church.
- c. We require/encourage Christian 12 step recovery groups.
- d. We help residents to cultivate the spiritual disciplines of prayer, Bible reading, solitude and meditation.
- e. We help/hold our residents accountable for practicing the Biblical principles that will keep them free.

2. *Continuing Education*

- a. We encourage educational/career growth with all our residents.
- b. We empower residents with information/opportunities to overcome life-controlling issues. (Specific Bible studies, cognitive thinking, anger management, and plus other required probation courses).

3. *Healthy Positive Lifestyles*

- a. We promote healthy eating habits, exercise, regular sleep patterns, and positive recreational activities.

4. *Emotional Balance and Maturity*

- a. We emphasize one-on-one talking and attendance of support groups.
- b. We encourage the ethical values of honesty, integrity, accountability, hard work and forgiveness.
- c. We work in helping residents overcome the feelings or guilt, shame, fear, remorse and low self-esteem.

5. *Basic Material Support and Eventual Self Sufficiency*

- a. We offer resources including starting food, clothing, bedding, and personal hygiene items and shelter.
- b. We offer information about local available work opportunities.
- c. We offer information and assistance in obtaining social security numbers, driver's licenses, birth certificates, etc.
- d. We offer some transportation for P&P classes and check in.
- e. We provide budgeting assistance for the eventual moving of a resident to their own place.
